Don't Give up on Me (feat. MAKO)

Illenium & Kill the Noise

It was only a dream
The waves of evil crashing over us
It was only a weak and fateful scream beneath the battlements
But I know it's hard
But follow before it's too dark
Wake up, my love
Please don't give up on meI know it's hard
Wake up, my love
Don't give up on me
Don't give up on me, on me, on me, on me
Don't give up on
Don't give up on me
Don't give up on me
Don't give up on me
Don't give up on me
Don't give up on meIt was only a dream
The waves of evil crashing over us
It was only a weak and fateful scream beneath the battlements
But I know it's hard
But follow before it's too dark
Wake up, my love
Please don't give up on meDon't give up on me
Don't give up on me, on me, on me, on me
Give up on me
Don't give up on me
Don't give up on me
Don't give up on me, on me, on me, on me
Don't give up on
