He proud of me, but I ain't makin' that shit, nigga
My nigga workin'
I see you, my nigga
My nigga, made to work Ooh, came in this bitch with the same gang
Same gang since the beginning (Yeah)
All in this bitch, I'm the main thing
Ain't worried about no woman (No)
Bought a new whip with a big rims
Ooh, 30s, they spinnin' (Skrtrt)
Pistols, know that they hittin'
Bitches, know that they freak'
Put that lil bitch on the X, O, for the weekend
Baby girl not giving sex, woah, you tweakin'
Big bitch flexed up, made me bring the texts up (Flex)
I'm already on, still claimin' next up (Yeah)

Pop her, then she gon' move like a bunny
Got her friend in the room, glazed up like honey
I'ma beat from the back 'til the moon get sunny
Both gon' fuck 'cause Lil Boat got money
Can't nobody ever fuck my bitch (No)
Ain't gotta fuck, she gonna fuck on my wrist
