

Get Lucky (feat. Tanika)

Naughty Boy

Like the legend of the phoenix

All ends with beginnings

What keeps the planet spinning

The force from the beginning.

We've come too far to give up who we are

So let's raise the bar and our cups to the stars.

She's up all night 'til the sun

I'm up all night to get some

She's up all night for good fun

I'm up all night to get lucky

We're up all night 'til the sun

We're up all night to get some

We're up all night for good fun

We're up all night to get lucky

We're up all night to get lucky.

The present has no living

Your gift keeps on giving

What is this I'm feeling?

If you wanna leave I'm ready (ahh).

We've come too far to give up who we are
So let's raise the bar and our cups to the stars.

She's up all night 'til the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky
We're up all night 'til the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to get lucky
We're up all night to get lucky.

We've come too far to give up who we are
So let's raise the bar and our cups to the stars.

She's up all night 'til the sun
I'm up all night to get some
She's up all night for good fun
I'm up all night to get lucky
We're up all night 'til the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky

We're up all night to get lucky.
