

# It's Beginning to Look a Lot Like Christmas

Noah Cyrus

[Chorus 1]

It's beginning to look a lot like Christmas  
Everywhere you go  
Take a look at the five and ten, it's glistening once again  
With candy canes and silver lanes aglow  
It's beginning to look a lot like Christmas  
Toys in every store  
But the prettiest sight to see is the holly that will be  
On your own front door

[Verse]

Pair of hop-a-long boots and a pistol that shoots  
Is the wish of Barney and Ben  
Dolls that'll talk and will go for a walk  
Is the hope of Janice and Jen  
Mom and Dad can hardly wait for school to start again

[Chorus 2]

It's beginning to look a lot like Christmas  
Everywhere you go  
There's a tree in the Grand Hotel, one in the park as well  
The sturdy kind that doesn't mind the snow  
It's beginning to look a lot like Christmas  
Soon the bells will start  
And the thing that'll make them ring is the carol that you'll sing  
Right within your heart

[Chorus 1]

It's beginning to look a lot like Christmas  
Toys in every store  
And the prettiest sight to see is the holly that will be  
On your own front door

[Outro]

So, it's Christmas once more
