

# 5 in the Morning

Charli XCX

[Verse 1]

I know your type, think you're one in a million  
Your diamonds are fake, you ain't golden  
I only fuck with the ones who are rare enough  
Real enough, down to keep goin'  
It's 5 in the mornin'  
And I'm goin' all in, I'm busy ballin'[Pre-Chorus]  
Funny how wherever I wanna go  
You wanna be there too  
Pull up in stone with your clique (clique)  
Measure all up on your wrist (wrist)  
Think you're the sickest like you got diseases  
But you ain't got nothing on this  
I can see you talk, got a big mouth (Na-na-na-na)  
Won't you stick around for the come down? (come down, yeah)  
24/7, I'm 365

Wait for me heaven, I'm here 'til I die

Ah, ah

[Chorus]

I'm goin' all in (all in)  
It's 5 in the mornin', I'm busy ballin'  
I ain't even stoppin' (no)  
It's 5 in the mornin', I'm so devoted  
I'm goin' all in (all in)  
It's 5 in the mornin', I'm busy ballin'  
I ain't even stoppin' (yeah)  
It's 5 in the mornin', yeah[Verse 2]  
I'm in my element everyday, birthday cake  
You want a piece 'cause it's tasty  
We on a roll, we don't stop 'til the bottles all popped  
And the pills got me wasted  
It's 5 in the mornin' and I'm goin' all in  
I'm busy ballin'

[Pre-Chorus]

Funny how wherever I wanna go  
You wanna be there too  
Pull up in stone with your clique (clique)  
Measure all up on your wrist (wrist)  
Think you're the sickest like you got diseases  
But you ain't got nothing on this  
I can see you talk, got a big mouth (na-na-na-na)  
Won't you stick around for the come down? (for the come down, yeah)

24/7, I'm 365  
Wait for me heaven, I'm here 'til I die  
Yeah[Chorus]  
I'm goin' all in (yeah)  
It's 5 in the mornin', I'm busy ballin'  
I ain't even stoppin' (no stoppin')  
It's 5 in the mornin', I'm so devoted (na-na-na-na)  
I'm goin' all in (all in)  
It's 5 in the mornin', I'm busy ballin' (all in, all in, baby)  
I ain't even stoppin'  
It's 5 in the mornin', yeah[Bridge]  
Wherever I go, wherever I go  
You wanna be there too  
Wherever I go, you wanna know  
You wanna be there too  
Wherever I go, wherever I go  
You wanna be there too  
Wherever I go, wherever I go  
You wanna be there too[Chorus]  
I'm goin' all in (yeah)  
It's 5 in the mornin', I'm busy ballin'  
I ain't even stoppin' (no stoppin')  
It's 5 in the mornin', I'm so devoted (na-na-na-na)  
I'm goin' all in (all in)  
It's 5 in the mornin', I'm busy ballin' (all in, all in, baby)  
I ain't even stoppin'  
It's 5 in the mornin', yeah
