

# Freewill

## Rush

There are those who think  
That life has nothing left to chance  
A host of holy horrors  
To direct our aimless dance A planet of playthings  
We dance on the strings of powers we cannot perceive  
The stars aren't aligned or the gods are malign  
Blame is better to give than receive You can choose a ready guide in some celestial voice  
If you choose not to decide, you still have made a choice  
You can choose from phantom fears and kindness that can kill  
I will choose a path that's clear, I will choose freewill  
There are those who think  
That they were dealt a losing hand  
The cards were stacked against them  
They weren't born in Lotus Land All preordained, a prisoner in chains  
A victim of venomous fate  
Kicked in the face, you can pray for a place  
In heaven's unearthly estate You can choose a ready guide in some celestial voice  
If you choose not to decide, you still have made a choice  
You can choose from phantom fears and kindness that can kill  
I will choose a path that's clear, I will choose freewill Each of us, a cell of awareness  
Imperfect and incomplete  
Genetic blends with uncertain ends  
On a fortune hunt that's far too fleet  
You can choose a ready guide in some celestial voice  
If you choose not to decide, you still have made a choice  
You can choose from phantom fears and kindness that can kill  
I will choose a path that's clear, I will choose freewill
