

Don't Stop the Party

The Black Eyed Peas

[Intro: will.i.am]

Don't, don't, don't, don't, don't, don't

[Verse 1: will.i.am]

This is that original, this has no identical
You can't hack my digital, future aboriginal
Get up off my genitals, I stay on that pinnacle
Kill you with my lyricals, call me verbal criminal
Send you to that clinical, subscribe you some chemicals
Audio and visual, can't see me; invisible
I'm old school like biblical, futuristic next le-vel
Never on that typical
Will I stop? Oh never, no

[Hook: Fergie]

I ain't gonna stop until I'm done (don't stop it)
I ain't gonna quit until I've won (now, baby)
