

# Mouth of the River

## Imagine Dragons

I want to live a life like that  
Live the life of the faithful one  
Wanna bow to the floor  
With everybody else want to be someone  
I want to make some love  
I don't want no enemies  
It's the curse of a man  
Always living life, living live, living just to please Oh the mouth of the river  
And the wrath of the giver  
With the hands of a sinner  
Oh the mouth of the river (woah)  
Oh the mouth of the river (woah)  
And the wrath of the giver (woah)  
With the hands of a sinner (woah)  
On the mouth of the river  
Oh I'm alkaline  
I'm always keeping the basics  
I'm overboard  
I'm self-destructive  
And self-important  
And I'm anxious  
Oh I'm self-assured  
I'm nervous  
And I'm pacing, I'm pacing Oh the mouth of the river  
And the wrath of the giver  
With the hands of a sinner  
Oh the mouth of the river (woah)  
Oh the mouth of the river (woah)  
And the wrath of the giver (woah)  
With the hands of a sinner (woah)  
On the mouth of the river  
And I am going under  
Oh I am going under  
I am going under  
Oh I am going under  
I am going under  
Oh I am Oh the mouth of the river  
And the wrath of the giver  
With the hands of a sinner  
Oh the mouth of the river (woah)  
Oh the mouth of the river (woah)  
And the wrath of the giver (woah)

With the hands of a sinner (woah)  
On the mouth of the river
