

One Day At a Time

Jonas Brothers

Wednesday, I came home from school
Did my homework in my room
Then I watched some TV
I still miss you Thursday, morning went on line
Got to school at half past nine
Wound up in detention
I still miss you Everything I do
Brings me back to you And I die
One day at a time
'Cause I just can't seem
To get you off my mind
No matter how I try
Try to kill the time
Well, I think that I'm just going crazy
One day at a time Friday, I got out of bed
Tried to smile, frowned instead
Burnt some toast for breakfast
I still miss you Saturday, I turned sixteen
Never dreamt you'd act so mean
You didn't even call me
But I still miss you And when I turn ninety four
I think I'll miss you even more And I die
One day at a time
'Cause I just can't seem
To get you off my mind
No matter how I try
Try to kill the time
Well, I think that I'm just going crazy
One day at a time I miss you more
Than I did a minute ago
I'd climb a mountain
Just to hear your echo, you All I wanted was you and tell me please
Do you think of me now and then
'Cause if I'll never see you again
I'll still miss you And I die
One day at a time
'Cause I just can't seem
To get you off my mind No matter how I try
Try to kill the time
Well, I think that I'm just going crazy
One day at a time Oh, one day at a time
Well, I think that I'm just going crazy

One day at a time
Oh, I think, I? m going crazy
One day at a time
