

# (Fuck a) Silver Lining

## Panic! At the Disco

[Intro]

Ode to the old, and to the new  
We rededicate this song to you

[Chorus]

Fuck a silver lining  
Fuck a silver lining  
'Cause only gold is hot enough, hot enough  
Fuck a silver lining  
Fuck a silver lining  
'Cause only gold is hot enough, hot enough  
One more, one more

[Verse 1]

It's just cherries, cherries  
Everything is cherries on top  
No wings of wax or endless mountains  
Tragedies with penniless fountains  
It's just cherries, cherries  
It's coming up cherries on top  
Sunset shadows through the trophies  
I guess it just ain't big enough  
Say it one more, one more, one more

[Chorus]

Fuck a silver lining  
Fuck a silver lining  
'Cause only gold is hot enough, hot enough  
Fuck a silver lining  
Fuck a silver lining  
'Cause only gold is hot enough, hot enough

[Post-Chorus]

It's just cherries, cherries  
Everything is cherries on top  
It's just cherries, cherries  
Everything is cherries on top  
One more, one more

[Verse 2]

We've been falling, falling  
It's like we fell to the top  
I was born to cut a million  
Cut my teeth and made a killing  
Now I'm dodging, dodging

Everything you think that I'm not  
Archetype of television  
Was lost in thought but held the vision, hey

[Bridge]

When you gonna say my name?  
When you gonna say my name?  
Quick charade, Beyoncé, Lemonade  
When you gonna say my name?  
When you gonna say my name?  
No delay, no halfway, let me hear you say  
One more, one more, one more

[Chorus]

Silver lining  
Fuck a silver lining  
'Cause only gold is hot enough, hot enough  
Fuck a silver lining  
Fuck a silver lining  
'Cause only gold is hot enough, hot enough

[Post-Chorus]

It's just cherries, cherries  
Everything is cherries on top  
It's just cherries, cherries  
Everything is cherries on top

[Outro]

Silver lining  
Fuck a silver lining  
'Cause only gold is hot enough, hot enough
