

It's a Hard Life

Queen

I don't want my freedom
There's no reason for living with a broken heart
This is a tricky situation
I've only got myself to blame
It's just a simple fact of life
It can happen to any one
You win, you lose
It's a chance you have to take with love
Yeah, I fell in love
But now you say it's over and I'm falling apart
It's a hard life to be true lovers together
To love and live forever in each others hearts
It's a long hard fight to learn to care for each other
To trust in one another right from the start
When you're in love
I try and mend the broken pieces
I try to fight back the tears
They say it's just a state of mind
But it happens to everyone
How it hurts deep inside
When your love has cut you down to size
Life is tough on your own
Now I'm waiting for something to fall from the skies
I'm waiting for love
Yes, it's a hard life, two lovers together
To love and live forever in each others hearts
It's a long hard fight to learn to care for each other
To trust in one another right from the start
When you're in love
Yes, it's a hard life in a world that's filled with sorrow
There are people searching for love in every way
It's a long hard fight but I'll always live for tomorrow
I'll look back at myself and say I did it for love
Yes, I did it for love
For love
I did it for love!
