

Keep Calling

SHAED

I know it isn't fair to keep calling
I promise not to make that mistake

Soon or later, I'll be ringing
Gonna have to say I'm sorry
It happens when I start drinking

I keep calling
You keep calling me
Keep falling back in love with
I keep calling
You keep calling me
Keep falling back in love with

I know I shouldn't tell you I'm hurting
I promised we would both be okay

Soon or later, I'll be ringing
Gonna have to beg forgiveness
It happens when I start drinking

I keep calling
You keep calling me
Keep falling back in love with
I keep calling
You keep calling me
Keep falling back in love with

(back in love, back in love)
Keep falling
(back in love, back in love)
I keep hitting up your
(back in love, back in love)
I keep on falling
(back in love, back in love)
With you

Soon or later, I'll be ringing
Gonna have to beg forgiveness

It happens when I start drinking

(Chorus)

(back in love, back in love)

Why do I keep calling

(back in love, back in love)

You keep hanging up the

(back in love, back in love)

Why do I keep falling

(back in love, back in love)

With you

Keep calling

Keep falling

In love with you

With you
