

# Do It Like This

## The Black Eyed Peas

### Part 1

[Hook: will.i.am]

Hey

I betcha can't...

Betcha can't do it like this

Betcha can't...

Betcha can't do it like this

Betcha can't...

Betcha can't rock it like this

Betcha can't...

Betcha can't rock it like this

Hey

[Verse 1: Fergie]

One, two, three to the fo'

Comin' to your hood like a sky missile

Fergie rock the beat down to the gristle

I spit it clean just like lis-ter-rine

[Verse 2: will.i.am]

I'm so official

That's why I'm rockin' this, rockin' this whistle

I'm in the disco, percolatin' nipples

When I DJ, I turn the bass up the tick-o

The girls with the big big booties

I'm straight chillin', coolin' out with cuties (hey!)

21 and over, ain't messin' wit juvies

Girls always talkin' 'bout "I ain't no groupie!"

I ain't stupie, I know what the truth be

You was up chillin' with Yeezy last week

You nasty; admit it, you nasty

Tryin' to act classy, askin' for a glass... please

Grab a glass and get wet

Asked for some bubble so I gave her Moet

I said I don't want trouble, but she said won't get

Busy 'cause she dizzy, so I said let's jet

[Hook 2: will.i.am & Fergie]

We did it and we did it and we did it like this

Did it and we did it and we did it like this  
Did it and we did it and we did it like this  
Did it and we did it and we did it like...

[Hook 3: will.i.am & Fergie]

I said I betcha can't, betcha can't rock it like that  
Betcha can't, betcha can't rock it like that  
Betcha can't, betcha can't rock it like that  
Betcha can't, betcha can't...

[Verse 3: will.i.am]

Do, do, do, do, do, do, do, do  
Do it like me, so fresh so clean  
This beat's crazy, this beat's obscene  
This shit's nice, this shit's so mean  
Mean, mean, y'knahmean?  
This beat's cracked, that means y'all fiends  
This shit's hot nigga, lettin' off steam  
This is like a movie action scene  
Ring, ring, ring like a machine  
This shit's money, nigga this shit's green  
This shit is terrifyin' - Halloween  
This shit is gimme your Qu-qu-qu-qu-queen  
And that means I'm the what, what? King!

[Hook 4: will.i.am + Fergie]

Betcha can't, betcha can't rock it like this  
Betcha can't, betcha can't rock it like this  
Betcha can't, betcha can't rock it like this  
Betcha can't, betcha can't yo, yo-yo yo

[Verse 4: will.i.am]

Rock the Casbah, rock the dancehall  
I want punani, someone gimme belly dancer  
Who got de answer, for de dancer?  
Nobody know, but I got music to enhance ya  
Block blocka, momma call me poppa  
I stay on top of brick chicks like Chaka  
Zulu, I'm the shit, you the copper  
Who are you? I'm the future hip-hopper  
Mega nigga, this nigga bigger  
Why hold the gun if you kyan't pull the trigger?  
Why you say you do it when you know you can't deliver?  
Why you drink vodka if you got a weak liver?  
Hahaha, I'mma lover not a fighter  
Love down a dyke, turn her to a dick liker  
Hahahaha, I'm the big chief rocker

Shootin' up your block like blocka, blocka

[Hook 5: will.i.am + Fergie]

Betcha can't...

Betcha can't rock it like this

Betcha can't...

Betcha can't rock it like this

Betcha can't...

Betcha can't do it like that

Yo, try it, t-t-try it

PART 2 :

[Intro: will.i.am]

Can't rock it like this

[Verse 1: apl.de.ap]

I'm the new enig-matic, black acrobatic

Alien about to invade, galactic

Ladies climaxin', off of my axin'

Filipino comin' to the US, mashin'

Laser, flashin', big ghetto blastin'

Vodka, water, down for some action

Check it out now, the funk soul brother

And right about now, you know I'm on that other

Shit, but you can't rock it like me though

Niggas say I'm dope, white girls say I'm neat-o

I rock wave forms, ain't fuckin' with no needle

Music revolution like underground Beatles

Yeah... you can't rock it like us

Bitch, you need to shut the fuck up!

[Verse 2: apl.de.ap]

I'm on a mission, I'm on a mission

Start the ignition

Let's blow it up like nitroglycerine

It's the new definition, of club demolition

Check the new composition

Let's shoot 'em down with the killer ammunition

I got a proposition

Stop, listen

'Cause this beat bangs

A banger, knock 'em out to submission

I got an intuition

Tonight's gonna be a good good exhibition

Hope you don't have no heart condition

Think you can rock it like this, you're wishing

[Outro: apl.de.ap]

You can't rock it like this  
You can't rock it like this  
You can't rock it like this  
You can't rock it like this  
You can't rock it like this  
You can't rock it like this  
You can't rock it like this  
You can't rock it like this  
You can't rock it like this  
You can't rock it like this
