

# Hurt

## Oliver Tree

My day will come, I gave too much  
I sold my soul, I'm waiting for my painful  
My only one, your dying love  
I've seen enough I tried but, I don't think so  
Maybe it was me who was fucking up  
I gave all I could give but  
It seems like it never really was enough I feel left out, I don't see how  
My whole life can change in one week  
I don't mind my own reflection  
I don't see how,  
You've been let down  
Don't speak unless you have to  
Why you always seem in a bad mood?  
Your whole life you had an attitude  
One day, is this so bad for you?  
I'm sorry if I hurt you  
I'm sorry if it got that bad  
I'm sorry I can't help you  
Somebody should've had your back I tried but, I don't think so  
Maybe it was me who was fucking up  
I gave all I could give but  
It seems like it never really was enough I changed my, whole life when  
I learned to, ignore them  
I changed my, whole life up  
Maybe it was not enough  
I don't think I'm allowed to  
Make a deal with your selfish ways  
They're acting vicious out there  
There's lots of demons out here  
I'm sorry if I hurt you  
I'm sorry if it got that bad  
I'm sorry I can't help you  
Somebody should've had your back I tried but, I don't think so  
Maybe it was me who was fucking up  
I gave all I could give but  
It seems like it never really was enough
