

Roses (feat. ROZES)

The Chainsmokers

Take it slow, but it's not typical
He already knows that my love is fire
His heart was a stone, but then his hands roam
I turned him to gold and it took him higher Oh, I'll be your daydream, I'll wear your favorite
things

We could be beautiful
Get drunk on the good life, I'll take you to paradise
Say you'll never let me go Deep in my bones, I can feel you
Take me back to a time only we knew

Hideaway
We could waste the night with an old film
Smoke a little weed on the couch in the back room

Hideaway
Say you'll never let me go
Say you'll never let me go
Ah, ah, ah
Ah, ah, ah
Ah, ah, ah
Say you'll never let me go
Say you'll never let me go
Say you'll never let me go
Say you'll never let me go Deep in my bones, I can feel you
Take me back to a time only we knew

Hideaway
We could waste the night with an old film
Smoke a little weed on the couch in the back room

Hideaway
Say you'll never let me go
Say you'll never let me go
Ah, ah, ah
Ah, ah, ah
Ah, ah, ah
Say you'll never let me go
Say you'll never let me go
Say you'll never let me go
