

Soma

Rockabye Baby!

Nothing left to say
And all I've left to do is run away from you
She led me on, down
With secrets I can't keep
Close your eyes and sleep
Don't wait up for me
Hush now don't speak
To me
Wrapped my hurt in you
And took my shelter in that pain
The opiate of blame
Is your broken heart, heart, heart
So now I'm all by myself
As I've always felt
I'll betray my tears
To anyone caught in our ruse of fools
One last kiss for me, yeah
One last kiss good night
Didn't wanna lose you once again
Didn't wanna be your friend
Fulfilled a promise, made of tin
And crawled back to you
I'm all by myself
As I've always felt
And I'll betray my tear
To anyone, lost, anyone but you
So let the sadness come again
On that you can depend on me, yeah
Until the bitter, bitter end of the world, yeah
When God sleeps in bliss
And I'm all by myself
As I've always felt
And I'll betray myself
To anyone
