

# Santa Baby

Taylor Swift

[Chorus]

Santa baby, slip a sable under the tree, for me  
I have been an awful good girl, Santa baby  
So hurry down the chimney tonight

[Chorus]

Santa baby, a '54 convertible, too, light blue  
Well I will wait up for you, dear, Santa baby  
So hurry down the chimney tonight, yeah

[Verse 1]

Think of all the fun I have missed  
Think of all the boys I have not kissed  
Next year I could be just as good  
If you check off my Christmas list

[Chorus]

Santa baby, I want a yacht and really that is not a lot  
I have been an angel all year, Santa baby  
So hurry down the chimney tonight

[Chorus]

Santa, honey, there is one more thing I really do need, the deed  
To a platinum mine, Santa honey  
So hurry down the chimney tonight

[Verse 2]

Come and trim my Christmas tree  
With some decorations bought at Tiffany's  
I really do believe in you  
Let us see if you believe in me

[Chorus]

Santa baby, forgot to mention one little thing  
A ring  
And I do not mean on the phone, Santa baby

So hurry down the chimney tonight
