

Not Falling Apart

Maroon 5

Ooh...Danced all night, slept all day
Careless with my heart again
Fearless when it comes to playing games You don't cry, you don't care
Afraid to have a love affair
Is that your ghost or are you really there? Now I can't walk, I can't talk anymore
Since you walked out the door
And now I'm stuck living out that night again
I'm not falling apart Ooh, oh Weather on a sunny day
Time slows down; I wish you'd stay
Pass me by in crowded, dark hallways
Mmm
Try my hardest not to scream
I find my heart is growing weak
So leave your reasons on the bathroom sink Now I can't walk, I can't talk anymore
Since you walked out the door
And now I'm stuck living out that night again
I'm not falling apart I heard you say you needed me now
What's the problem I can't see
You destroyed me, I won't fall apart again
I'm not falling apart Take what you wanted
I will be just fine
You will be better off alone at night
Waiting and falling
Constantly calling out your name
Will it ever change?
Now I can't walk, I can't talk anymore
Since you walked out the door
And now I'm stuck living out that night again
I'm not falling apart I heard you say you needed me now
What's the problem I can't see
You destroyed me, I won't fall apart again
I'm not falling apart Ohh, ooh
