

# True Love

Coldplay

For a second, I was in control  
I had it once, I lost it though  
And all along the fire below would rise And I wish you could have let me know  
What I really going on below  
I've lost you now, you let me go  
But One last time Tell me you love me  
If you don't then lie  
Lie to me  
Remember once upon a time  
When I was yours and you were blind  
The fire would sparkle in your eyes  
And mine So tell me you love me  
If you don't then lie  
Lie to me  
Just tell me you love me  
If you don't then lie  
Lie to me  
And call it true  
Call it true love  
Call it true  
Call it true love
