

Bitch From Da Souf

Mulatto

[Intro]

Bankroll Got It

Yeah

[Chorus]

I throw that ass back to see if he gon' catch it
I ain't athletic, but it's tennis for the necklace, yeah
Ayy, where that cash at? I stack it like Tetris
Real gutter bitch, real plugs and connections
First I make him eat it 'til he lockjaw
Give it to him good, knock a nigga socks off, uh
I run it up, they busy running they mouth
I'm a real ass, rich ass bitch from the Souf, yeah, yeah

[Verse 1]

Bitches getting bust down for a bustdown
I don't move if they ain't paying like some bus fare
Know that the promoter cut the check if I was there
Bitches got a problem, line 'em up like I cut hair
I need it paid in full like Keisha
Rappers in my DM, I ain't fucking for a feature
Aretha with them Franklins
I'm getting money, I can't meet ya
Ran down on a bitch, all the sudden she got amnesia

[Chorus]

I throw that ass back to see if he gon' catch it
I ain't athletic, but it's tennis for the necklace, yeah
Ayy, where that cash at? I stack it like Tetris
Real gutter bitch, real plugs and connections
First I make him eat it 'til he lockjaw
Give it to him good, knock a nigga socks off, uh
I run it up, they busy running they mouth
I'm a real ass, rich ass bitch from the Souf, yeah, yeah

[Verse 2]

These niggas know that I'm a keeper
And I got that KO, I'ma fuck around and sleep 'em
Chopper sing like Aretha, might cost your life to meet her
Pop the trunks in that bitch, runnin' home, Derek Jeter

Shit ain't sweet, I just dropped a bag on my teeth
He put Fendi all on my feet, I leave stains all in his sheets
He know better than to fuck around, no bitch fucking with me
I won't hesitate to get a bitch gone ASAP, no Rocky

[Chorus]

I throw that ass back to see if he gon' catch it
I ain't athletic, but it's tennis for the necklace, yeah
Ayy, where that cash at? I stack it like Tetris
Real gutter bitch, real plugs and connections
First I make him eat it 'til he lockjaw
Give it to him good, knock a nigga socks off, uh
I run it up, they busy running they mouth
I'm a real ass, rich ass bitch from the Souf

[Outro]

Yeah, no
I run it up, they busy running they mouth
I'm a real ass, rich ass bitch from the Souf
