

# I Love You's

Hailee Steinfeld

Doo bee doo bee doo doo doo, ah  
Doo bee doo bee doo doo doo, ah  
Doo bee doo bee Where do I begin?  
I'm seating here jaded  
Yeah, I fell asleep with the makeup still all on my skin  
Wide wake again  
I'm praying I make it  
I'm steppin' the 12 but it's somewhere I've already been Diamonds won't fool me 'cause I'm too  
far gone  
Wish I could get back the air in my lungs  
I've been so fucked up it's bad for my heart  
My heart  
So, no more I love you's  
It's too easy to say, yeah  
No more I love you's  
Until I'm OK  
I blamed it on the time zones  
I blamed it on my eyes closed  
I blamed it on the world like it owes me  
So stop me before it's too late  
No more I love you's  
Until I'm OK Oh, I face my sins  
And I wish it was easy  
Now I fall asleep with the light on but still without you  
So I'll make amends  
And I buy myself flowers  
And then when they die, I'll be happy that they got me through  
Diamonds won't fool me 'cause I'm too far gone  
Wish I could get back the air in my lungs  
I've been so fucked up it's bad for my heart  
My heart So, no more I love you's  
It's too easy to say, yeah  
No more I love you's  
Until I'm OK  
I blamed it on the time zones  
I blamed it on my eyes closed  
I blamed it on the world like it owes me  
So stop me before it's too late  
No more I love you's  
Until I'm OK It's not on my lips and I love it  
No weight on my chest, I'm above it  
I'm taking a moment to cut it out (Oh)

I feel my conscience is calling  
Now there's no fear, no more running  
I don't want words that mean nothing, no, oh No more I love you's (No more I love you's)  
It's too easy to say, yeah (No, it's too easy to say)  
No more I love you's (No)  
Until I'm OK (Until I'm OK)  
I blamed it on the time zones  
I blamed it on my eyes closed (Eyes closed)  
I blamed it on the world like it owes me  
So stop me before it's too late  
No more I love you's (Ooh, no)  
Until I'm OK (Until I'm OK)
