

Gimme

Hudson Thames

Boom! Boom! Boom!

Boom! Boom!

Boom! Boom! Boom!

Boom! Boom!

Boom! Boom! Boom!

Boom! Bomm! Boom!

Come on! Come on!

Come! Come on! Come on!

Heeey!

Or call me crazy or call me back

Girl is only midnight, don't gimme that

The more you chase me, I chase you back

You're running through my veins and it hits me like it's meth

Na, na, na

Na, na

Na, na, na

Na, na

Na, na, na

Going out with you

Gimme love, gi- gimme love, gi-gimme love

You know is what I need

Gimme love, gi- gimme love, gi- gimme love

So come and set me free

All my demons, all my fears

All this shit I dealt with for nineteen years

Let me catch you, I need you near

Just another taste and I know it should be here

Na, na, na

Na, na

Na, na, na

Na, na

Na, na, na

Going out with you

Gimme love, gi- gimme love, gi-gimme love

You know is what I need

Gimme love, gi- gimme love, gi- gimme love

So come and set me free

Fading Gimme love... gimme love... me love...

Oooooohhh...

Hmmmmm...

Tell me, how you want to?

Tell me, how you feel the same?

Tell me, how to take you?

Tell me, cause I'm on my way.

Gimme love (woow)

Gi- gimme love (woow)

Gi- gimme love (woow)

You know it's what I need

Gimme love (woow)

Gi- gimme love (woow)

Gi- gimme love (woow)

So come and set me free

Fading Gimme love
