

Sunset Jesus

Avicii

Try'na set myself up for the win
So people got a dream
That's so much bigger
Than the town they're in
So give me love, give me love
Give me peace,
Give me peace of mind
I know that there's an ought
To a start
And I need a little help with mineCalifornia
Don't let me down
Seems so golden
But there's struggle all around
Sunset Jesus
Came to me
He once was a waiter
Now he's a savior
Making money on the streetMy dreams are made of gold
My heart's been broken
And I'm down along the road
But I knowMy dreams keeps fading
Till I get old
Breathe for a minute
Breathe for a minuteI'll be okay
Staring at the billboard from the bus
Looking at the faces
Thinking "That could be anyone of us"
So give me hope, give me hope
Give me hope on this lonely ride
'Cause I know one day
I'll be the one in the skyCalifornia
Don't let me down
Seems so golden
But there's struggle all around
Sunset Jesus
Came to me
He once was awaiter
Now he's a savior
Making money on the streetMy dreams are made of gold
My heart's been broken
And I'm down along the road
But I know

My dreams keeps fading
Till I get old
Breathe for a minute
Breathe for a minute
(Breathe for a minute) x16
Sunset JesusMy dreams are made of gold
My heart's been broken
And I'm down along the road
But I know
My dreams keeps fading
Till I get old
Breathe for a minute
Breathe for a minute
I'll be okayMy dreams are made of gold
My heart's been broken
And I'm down along the road
But I know
My dreams keeps fading
Till I get old
Breathe for a minute
Breathe for a minute
I'll be okay
