SOPHIE

Girl  
So, baby, come and  
Try, try, try, try, try., try, try, try, try...Girl  
So, baby, come and  
Try, try, try, try, try., try, try, try, try...So, baby, come and  
(I believe in you)Do you miss  
Girl  
So, baby, come and  
Try, try, try, try, try., try, try, try, try...Girl  
So, baby, come and  
Try, try, try, try, try., try, try, try, try...So, baby, come and  
(I believe in you)  
Do you miss(I believe in you)Trickling on all of me?Do you miss
