

Electric City

The Black Eyed Peas

[Intro: Fergie]

Na na na-na, na na na-na

Na na na-na, na na na-na

[Verse 1: Fergie]

Sound selector, activate your transistor

Transmit the audio waves to your system

Subsonic megabolt, bass drum be kickin

Na na na-na, na na na-na

Ghetto blaster, blastin on your block

Pumpin out megahertz (mega-megawatts)

You could get electric shock from my flow

Bitches on my dick (oh no) they on my dildo

Do re-me fa-so la ti-do

I get the money money, I get dough

EQ the equalizer for the stereo

Na na na-na, na na na-na

We the blastmasters, the radia-tion

Interna-tional comin to your na-tion

Feel the feel the feel the feel the vibra-tion

We kill ya kill ya kill ya radio station

[Hook: Fergie]

Kill 'em with the sound, kill 'em kill 'em with the sound

Hit 'em with the frequency

Shoot 'em with the bass, shoot 'em shoot 'em with the bass

Super mega-frequency

Kick 'em with the drum, kick 'em kick 'em with the drum

Get 'em with the melody

Beat 'em with the beat, beat 'em beat 'em with the beat

Super mega-frequency

In the e-lec-tric ci-ty, e-lec-tric ci-ty

E-lec-tric ci-ty, e-lec-tric... kill 'em!

[Verse 2: will.i.am]

Step up in the par, step up in the party

Sippin on coke and baca-Bacardi

Beat so dope penetrate my body

Lord have mercy, Lord have Lord have mercy

La-de-dee-dee, dee-dee-dee-dee-la-de-dah

Killer on the lose like I'm Jeffrey Dahmer
Ready to produce mega-rhythm yes sir
Call me mad scientist, the professor

[Interlude: will.i.am]

... I program the rhythm
Ask 'em who killed 'em they say will.i.am did 'em
Boom Boom Pow with the style when I hit 'em
I know how to kill 'em when I kill 'em

[Hook: Fergie]

Kill 'em with the sound, kill 'em kill 'em with the sound
Hit 'em with the frequency
Shoot 'em with the bass, shoot 'em shoot 'em with the bass
Super mega-frequency
Kick 'em with the drum, kick 'em kick 'em with the drum
Get 'em with the melody
Beat 'em with the beat, beat 'em beat 'em with the beat

[Verse 3: Apl.de.ap]

Electric shock surgin down your ci-ty
Higher voltage, B-E-P commit-tee
Transmittin sound got the girlies silly
Bouncin around tryin to show me titties
Watch out now we about to blow
Make room now and salute the general
Energy got the whole system overload
Got the yo, got the eardrums about to explode
Extra, extra flow be powerful
Blow your mind it's the incredible
Apl.de.ap the original
I'm the thriller of Manila, illest Filipino

[Hook: Fergie]
