

# Slow Dance (feat. Ava Max)

AJ Mitchell & Sam Feldt

If you stay for this minute  
Girl, I'll never let you down  
We ain't off the limit  
I could hold you after now No more talking, I don't know what you wanna do with that  
If it's good, why you even wanna hold it back?  
We just work, and I know there's no coming back  
Where you at  
Where you at  
Where you at I wanna slow dance if you feeling me now  
If we don't hold hands you'll be killing me now  
I need a  
Romance  
One chance  
I just wanna know will you slow dance  
I wanna slow dance if you feeling me now  
If we don't hold hands you'll be killing me now  
We need a  
Romance  
One chance  
I just wanna know will you slow dance And do you mind if I say it  
Just wanna have you around  
We take then we give it  
Something lifts us off the ground, baby No more talk, I don't know what you wanna do with that  
If it's good, why you even wanna hold it back  
We just work, so I know that there's no going back  
Where you at  
Where you at  
Where you at  
I wanna slow dance if you feeling me now (feeling me now)  
If we don't hold hands you'll be killing me now  
I need a  
Romance (romance)  
One chance (one chance)  
I just wanna know will you slow dance I wanna slow dance if you feeling me now (feeling me now)  
If we don't hold hands you'll be killing me now (killing me now)  
We need a  
Romance  
One chance (one chance)  
I just wanna know will you slow dance It won't work, it won't work, it won't work out  
If we don't have a say in this world now  
Taking turns, taking turns in this dance now

I won't forget about you I wanna slow dance if you feeling me now  
If we don't hold hands you'll be killing me now (killing me now now now now now)  
We need a  
Romance  
One chance  
I just wanna know will you slow dance I wanna slow dance if you feeling me now  
If we don't hold hands you'll be killing me now (killing me now)  
We need a  
Romance  
One chance (one chance)  
I just wanna know will you slow dance
