

Tell Me the Truth Now

This Is Not America

[Verse 1]

Tell me the truth now
Do you really wanna risk it all
I'm a little confused now
Are you really willing to take the fall

[PreChorus]

I come to you with an open mind
And a past I left behind
I come to you and I'm all brand new
Wearing nothing but morning dew

[Chorus]

Don't let me down
I got problems enough on my own as it is
Don't let me down
I got problems enough on my own as it is

[Verse 2]

Tell me the truth now
Am I making sense to you at all
I'm a little confused now
Would you even hear me if I called

What have you done for me
Think it's time to set it right
What have you done for me
Is it time to kill the light

[Chorus]

Don't let me down
I got problems enough on my own as it is
Don't let me down
I got problems enough on my own as it is (on my own as it is)

[PreChorus]

I come to you with an open mind
And a past I left behind
I come to you and I'm all brand new
Wearing nothing but morning dew

[Chorus]

Don't let me down
I got problems enough on my own as it is
Don't let me down

I got problems enough on my own as it is

Don't let me down (don't let me down, don't let me down)

Don't let me down

I got problems enough on my own as it is

Don't let me down

I got problems enough on my own as it is

Don't let me down

Don't let me down
