

One Kiss (with Dua Lipa)

Dua Lipa & Calvin Harris

One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need Let me take the night, I love real easy
And I know that you'll still wanna see me
On the Sunday morning, music real loud
Let me love you while the moon is still out Something in you-ou-ou lit up heaven in me-e-e
The feeling won't let me slee-ee-eep
'Cause I'm lost in the way you move, the way you feel
One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need
One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need One
One
One
One I just wanna feel your skin on mine
Feel your eyes do the exploring
Passion in the message when you smile
Take my time
Something in you-ou-ou lit up heaven in me-e-e
The feeling won't let me slee-ee-eep
'Cause I'm lost in the way you move, the way you feel One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need
One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need One
One
One
One See a wonderland in your eyes
Might need your company tonight Something in you-ou-ou lit up heaven in me-e-e
The feeling won't let me slee-ee-eep
'Cause I'm lost in the way you move, the way you feel One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need

One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you needOne
One
One
