

# Til Kingdom Come

Coldplay

[Intro]  
(One, two)

[Verse 1]  
Steal my heart and hold my tongue  
I feel my time, my time has come  
"Let me in, unlock the door"  
I've never felt this way before

[Bridge]  
And the wheels just keep on turning  
The drummer begins to drum  
I don't know which way I'm going  
I don't know which way I've come

[Verse 2]  
Hold my head inside your hands  
I need someone who understands  
I need someone, someone who hears  
For you, I've waited all these years

[Hook]  
For you I'd wait 'til kingdom come  
Until my day, my day is done  
And say you'll come and set me free  
Just say you'll wait, you'll wait for me

[Verse 3]  
In your tears and in your blood  
In your fire and in your flood  
I hear you laugh, I heard you sing  
I wouldn't change a single thing

[Bridge]  
And the wheels just keep on turning  
The drummers begin to drum  
I don't know which way I'm going  
I don't know what I've become

[Hook]

For you I'd wait 'til kingdom come  
Until my day, my day is done  
And say you'll come and set me free  
Just say you'll wait, you'll wait for me

Just say you'll wait, you'll wait for me
