

# Either Way

Chris Stapleton

We pass in the hall  
On our way to separate rooms  
Only time we ever talk  
Is when the monthly bills are due  
We go to work, we go to church  
We fake the perfect life  
I'm past the point of giving in  
And all my tears are cried We can't go just go on like this  
Say the word we'll call it quits  
Baby you can go or you can stay  
But I won't love you either way  
It's been so long since I felt  
Anything inside these walls  
Can't hate and you can't hurt  
When you don't feel it all  
I used to cry and stay up nights and wonder what went wrong  
And it's been hard and hearts can only do that for so long We can't go just go on like this  
Say the word we'll call it quits  
Baby you can go or you can stay  
But I won't love you either way  
We can't go just go on like this  
Say the word we'll call it quits  
Baby you can go or you can stay  
But I won't love you either way
