

Winter Things

Ariana Grande

It ain't even cold outside, not where I'm from
Feeling like it's mid-July under the sun
My jacket don't get no love, no hats and no gloves, not even a chance to rain
But my baby's in town and we're gonna do some winter things Ayo, I wanna pretend we're at the
North Pole
Turning the heat into an ice cold holiday
Made just for me and my baby, ooh, ooh
My baby's in town and we're gonna do some winter things, hey Take me to the ice-skating rink
downtown (No, no, no, downtown)
Even though it's 100 degrees, gotta get out
Ain't no ice or no chills, no snowmen to build, most of our friends at the beach
But my baby's in town and we're gonna do some winter things
Ayo, I wanna pretend we're at the North Pole
Turning the heat into an ice cold holiday
Made just for me and my baby, ooh, ooh
My baby's in town and we're gonna do some winter things, hey Just imagine that we're laughing
In the cabin, chilling by the fireside
Even though this sun is blasting
We can be wherever if we visualize
Ayo, I wanna pretend we're at the North Pole
Turning the heat into an ice cold holiday
Made just for me and my baby, ooh, ooh
My baby's in town and we're gonna do some winter things, hey
