

Most High (feat. Nathaniel Bassey)

Nosa

Yea eh, yea eh eh
More precious than Sharon's Roses (Yes)
You are the God of Glory (Yea)
The angels declare you're Holy (Yes)
They cry Ha-lle-lu-jah You are perfect in your ways
With you there are no mistakes
The works of your hands declare your praise
They say Ha-lle-lu-jah Adonai
You are the most high ahhh
Eh El Shaddai
You are the most high God
King on High
You are the most high
We say Ha-lle-lu-yah
Eh na na na
The stars cannot match your brightness lord
You give the sun it's light
In you does my soul delight yes lord
