

Fashion Beats

The Black Eyed Peas

[Verse 1: will.i.am]

Hey doctor, is something wrong with me?
Am I crazy do I need a remedy?
I'm a, club rocker that's my personality
It's in fashion to be bla-blasting them beats
And I like to go out every night
I like to go out every night
I like to go out every night
I like to go out and... Yeah

[Hook 1: will.i.am + Fergie]

Dance dance to them beats beats beats (to the beat)
Dance dance to them beats beats beats (to the beat)
Dance dance to them beats beats beats (to the beat)
Rock rock to the beats beats beats (to the beat)

[Hook 2: Fergie]

Get ready for the night, woah !
Party people just keep on rocking
Get ready for the night, woah !
Party people just keep on rocking
Rocking !

[Bridge: Fergie]

In fashion...
In fashion...
In fashion...
In fashion...

[Verse 2: Fergie]

Enchanté, comment allez vous
Très bien, merci et vous ?
Supergirl, super nice
Salt n' Pepa, sugar and spice
Space sugar case to the moon let's go
Coco Chanel, Marilyn Monroe
Catwalk, fashion show
Runway, fashion show
Tarmac, radio

G6, how we roll

[Hook 2: Fergie]

Get ready for the night, woah !
Party people just keep on rocking
Get ready for the night, woah !
Party people just keep on rocking
Rocking !

[Bridge: Fergie]

In fashion...
In fashion...
In fashion...
In fashion...

[Verse 1: will.i.am]

Hey doctor, ain't nothin' wrong with me
I ain't crazy, I don't need no remedy
I'm a, club rocker that's my personality
It's in fashion to be bla-blasting them beats
And I like to go out every night
I like to go out every night
I like to go out every night
I like to go out and...

[Interlude: Fergie]

Bonjour, with no way out
Bonjour, with no way out
Bonjour, with no way out
Bonjour, with no way out
Fashion, chic, sexy, freak
Fashion, chic, sexy, freak
In fashion
In fashion
In fashion
In fashion
To the beat
To the beat
To the beat

[Outro: will.i.am]

Rock rock to the beats beats beats (to the beat)
Dance dance to them beat beats beats (to the beat)
Dance dance to them beat beats beats (to the beat)
Rock rock to the
Beats
Beats
Beats
Beats

Beats
Beats
Beats
Beats
