Up in the club just do what you want
Get into it baby, get off your stump
Girlies on the dance flow wiggle your fronts
We got rhymes that always triumph
This is the beat that make ya bump ya bump
Shake your rump rump suga shake your rump
Its that beat that make ya bump
Known to give little booties little bit of hump (thanks)
And if you got boobies baby keep em all plump
And if you got blunts s-smoke em if you want
Got a 6 - 4 get pumpin' in your trunk
Cuz we got beats that been boomin like... (ohh)Yeah nigga don't frunt
Cuz this beat got you running just like Gump
