

What If I Never Get Over You

Lady Antebellum

It's supposed to hurt
It's a broken heart
But to moving on
Is the hardest part It comes in waves
The letting go
But the memory fades
Everybody knows
Everybody knows What if I'm trying, but then I close my eyes
And then I'm right back, lost in the last goodbye
And what if time doesn't do what it's supposed to do?
What if I never get over you?
Maybe months go by
Maybe years from now
And I meet someone
And it's working out Every now and then
He can see right through
Cause when I look at him
Yeah all I see is you What if I'm trying, but then I close my eyes
And then I'm right back, lost in the last goodbye
And what if time doesn't do what it's supposed to do?
What if I never get over you? What if I never get over?
What if I never get closure?
What if I never get back all the wasted words I told you?
What if it never gets better?
What if this lasts forever and ever and ever
I'm trying but then I close my eyes
And then I'm right back, lost in the last goodbye
And what if time doesn't do what it's supposed to do?
What if I never get over you? What if I gave you everything I got?
What if your love was my one and only shot?
What if I end up with nothing to compare it to?
What if I never get over?
(Oh if I never get over)
What if I never get over you? What if I never get over you?
Oh What if I never get it over?
Over you
