

# Never Be Alone

Shawn Mendes

I promise that one day I'll be around  
I'll keep you safe  
I'll keep you sound Right now it's pretty crazy  
And I don't know how to stop  
Or slow it down Hey  
I know there are some things we need to talk about  
And I can't stay  
Just let me hold you for a little longer now Take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone  
You'll never be alone  
When you miss me close your eyes  
I may be far but never gone When you fall asleep tonight  
Just remember that we lay under the same stars And hey  
I know there are some things we need to talk about  
And I can't stay  
Just let me hold you for a little longer now And take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone  
You'll never be alone  
You'll never be alone  
You'll never be alone  
You'll never be alone  
And take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone
