

Out Of My Head

The Black Eyed Peas

[Intro: Fergie]

That's right...

[Verse 1: Fergie]

Ha! You see these shoes, on my feet
I'm 'bout to go, on out that door
And you ain't stoppin it, ain't nuttin gonna stop it
Cause I'm sick and tired of all the motherfuckin arguin'
What you think? I'ma go get a drink
Relax myself, cause I'm about to blow!
When they open up the bar... I'ma hit the bar
I didn't drive my car, so come on let's go!

[Chorus: Fergie]

I'm steppin, outta here
Cause where I'm goin, I don't know
I'm steppin outta here
Cause where I'm goin, is outta my head
Outta my head, outta my head
Outta my head, outta my head
Outta my head, outta my heeeeeaaad, OH!

Steppin' steppin' out tonight, got me goin crazy
Steppin' steppin' out tonight, got me goin crazy
Steppin' steppin' out tonight, got me goin crazy
Steppin' steppin' out tonight, got me goin crazy

[Verse 2: Fergie (will.i.am)]

Yeahhh, he heh!

You see these feet? I'ma hit the streets
Yeah I'll be walkin, just talkin...
I'ma hit the bar, get some vodka
Some Red Bull, ya happy now?
When I see a boy, I'ma say whassup
(Hey girl, where you goin?)
Heheh, why'oncha come with me? We gon' live it up
We steppin out, aight now here we go
Hold up hold up hold up... how'd the bridge go?
Ahh, I think I drank too much
Oh wait I think I know it

Okay, okay, here we go

[Chorus: Fergie]

I'm steppin, outta here
Cause where I'm goin, I don't know
I'm steppin outta here
Cause where I'm goin, is outta my head
Outta my head, outta my head
Outta my head, outta my head
Outta my head, outta my heeeeeaaad, OH!

Steppin' steppin' out tonight, got me goin crazy
Steppin' steppin' out tonight, got me goin crazy
Steppin' steppin' out tonight, got me goin crazy
Steppin' steppin' out tonight, got me goin crazy

[Outro: will.i.am]

I'm goin out of my head, la-de-dee-la-de-dah
I'm goin out of my head...

Let's go

Let's go

Let's go

Let's go

Let's go
