Wait a minute.. uno dos

It's time to go.. adios

It's on and poppin, and we ain't stoppin

Let's light up the night, let's light up the night

I got it all in my pocket, and we gonna rock it

Let's light up the night, let's light up the night

Baby it's on and poppin, and we ain't stoppin

Let's light up the night, let's light up the night

I've got it all in my pocket, and we gonna rock it

Let's light up the night, let's light up the night

[Verse 1: will.i.am]

Wait a minute.. uno dos

It's time to go.. adios

Hot beats pumpin out the box, yeah turn it up

Hot fire comin out of my torch, I'mma burn it up

Hot ladies walk up in the club - honey, what's up?

Honey, what's up? C'mon, let's go

The big bass pumpin like a thunder sound

Honey got a bottom bouncin droppin low, underground

Drop it low, submarine, off the flo', trampoline

I got the fire burnin blazin, bring me gasoline

[Hook: will.i.am]

Wait a minute.. uno dos

It's time to go.. adios

It's on and poppin, and we ain't stoppin

Let's light up the night, let's light up the night

I got it all in my pocket, and we gonna rock it

Let's light up the night, let's light up the night

Baby it's on and poppin, and we ain't stoppin

Let's light up the night, let's light up the night

I've got it all in my pocket, and we gonna rock it

Let's light up the night, let's light up the night
