

Showdown

Black Eyed Peas

Yeah, yeah, yeah
Ya, ya, ya
This is how we do it, this is how we go
This is how we rock, this is how we roll
This is how we do it, do it, don't do it, don't do it, do it! It's goin' down now and not a tad bit later
All around the world, both sides of the equator
Terrorize the funk, call me Bootsy Al Qaeda
I verify that I got lots o' hoochies on data
Govern California, Black Eyed Peas, the Terminators
We the exterminators
Invade ya like the Raiders
Ignore all the haters
Inform all the ladies
It's goin' down now and not a tad bit later
In
Ten...
Nine...
Eight...
Seven-six-five-four...
Three...
Two...
One...One (one)...one (one)...one (one)...one (one)...one (one)
You ready? You ready? (Huh) Get ready for the showdown
Get ready for the showdown
Yo, it's about to go down
Yo, it's about to go, go down
Ap is in the building and I'm here to motivate you
Show you how we do it, do it
Reach the demonstrators
The funk for your trunk take you high like elevators
Give you what you want courtesy Mr. Pineda
We breakin' down them barriers
Call us the penetrators
Electrify your area (bzza) yeah
Go ahead and hate us
It only makes us greater
It's goin' down now and not a tad bit later
In Ten...
Nine...
Eight...
Seven-six-five-four...
Three...

Two...
 One...One (one)...one (one)...one (one)...one (one)...one (one)...one
 You ready? You ready? (Huh)Get ready for the showdown

 It's goin' down, it's goin' down, uh huh, uh huh
 It's comin', yeah, it's comin, yep, uh huh (yeah) uh huh
 We the show stoppers, show rockers
 Show ya'll how we rock, shit got ya
 All open, no joking, wanna rock it like this keep hopin'
 Obama, no drama
 Keep him and stink like Tama
 Big drummin'
 We comin'

 InTen...

 This is how we do it, this is how we go
 This is how we rock, this is how we roll
 This is how we do it, do it, don't do it, don't do it, do it
 The most powerful force on the planet
 Is the energy of the youth
 One can stimulate the economy
 But when this powerful youth becomes activated
 And stimulated
 And collectively decides not to buy things
 What will happen to the economy?
