

Hardcore Vibes

Dune & Trubblemaker

Hardcore vibes, that I run things
Hardcore vibes, that I run things
This one is dedicated to all the ravers in the nation
Hardcore vibes
Hardcore vibes
Hardcore vibes
Hardcore vibes, that I run things
To all the ravers in the nation
To all the ravers in the nation
To all the ravers
To all the ravers
To all the ravers in the nation
Hardcore vibes, that I run things
Hardcore vibes, that I run things
Hardcore vibes, that I run things
Hardcore vibes, that I run things
Hardcore vibes, that I run things
Hardcore vibes, that I run things
To all the ravers in the nation
To all the ravers in the nation
To all the ravers
To all the ravers
To all the ravers in the nation
