

I Miss You (feat. Julia Michaels) [Acoustic]

Clean Bandit

I know you're out in Cabo
Hanging with your brother
Wishin' that I was your bottle
So I could be close to your lips again
I know you didn't call your parents
And tell 'em that we ended
'Cause you know that they'd be offended
Did you not want to tell 'em it's the end And I know we're not supposed to talk
But I'm getting ahead of myself
I get scared when you're not
'Cause I'm scared you're with somebody else
I guess that it is gone
And I just keep lying to myself
I can't believe it
I miss you, yeah I miss you
I miss you, yeah I miss you, oh I do
I miss you, yeah I miss you
Though I'm tryin' not to right now You weren't a fan of pictures
So I hardly ever took 'em
Got them saved in my mind from the bedroom
So that way I can't forget your skin
So I saved all the texts
All of the best over the years
Just to remind myself
Of how good it is
Or was
And I know we're not supposed to talk
But I'm getting ahead of myself
I get scared when you're not
'Cause I'm scared you're with somebody else
I guess that it is gone
And I just keep lying to myself
I can't believe it I miss you, yeah I miss you
I miss you, yeah I miss you, oh I do
I miss you, yeah I miss you
Though I'm tryin' not to right now So I saved all the texts
All of the best over the years
Just to remind myself
Of how good it is
Yeah, I saved all the texts off of my ex
Minus the tears
Just to remind myself

Of how good it is
Or wasCause I
I miss you, yeah I miss you
I miss you, yeah I miss you, oh I do
I miss you, yeah I miss you
Though I'm tryin' not to right now
I can't help it, I just-
Though I'm tryin' not to right now
I can't help it, I just-
