

Ode to Clarissa

Queens of the Stone Age

[Verse 1: Nick Oliveri]

I knock on your door
I tiptoe on the floor
I hope your daddy ain't home right now
He warned me once before
You know he warned me once before
I stay up late
So we can keep our date
I love that we don't get no sleep
So through your window I creep
You know he warned me once before

[Chorus: Nick Oliveri & Josh Homme]

I'm the one your Mama told you about (Yeah, yeah, yeah)
I'm the one your Papa told you about (Yeah, yeah, yeah)
I'm the one your Mama told you about (Yeah, yeah, yeah)
I'm the one your Papa told you about
Woah! Woo, woah!

[Verse 2: Nick Oliveri]

Now you're in love
And why shouldn't you be
I'm everything you'll never be
You say don't leave
Baby, I can't wait
Next stop: Michelle, my second date

[Chorus: Nick Oliveri & Josh Homme]

I'm the one your Mama told you about (Yeah, yeah, yeah)
I'm the one your Papa told you about (Yeah, yeah, yeah)
I'm the one your Mama told you about (Yeah, yeah, yeah)
I'm the one your Papa told you about (Yeah, yeah, yeah)
The one Your Mama told you about (Yeah, yeah, yeah)
I'm the one your Papa told you about (Yeah, yeah, yeah)
The one Your Mama told you about (Yeah, yeah, yeah)
I'm the one your Papa told you about (Yeah, yeah, yeah)

Yeah, yeah
