

# Know You Better (feat. Tessa) [Mixed]

## Sam Feldt & LVNDSCAPE

[Intro: Tessa]  
Know you better  
Underneath your clothes[Verse 1: Tessa]  
I wait for your signal  
You know I can't reach your mind  
You're some kind of riddle  
That I can't figure out[Pre-Chorus: Tessa]  
You're so mysterious  
I like you dangerous  
Yeah, I'm goin' crazy  
I'm so delirious  
It must be serious  
Yeah, I'm goin' crazy  
[Chorus: Tessa]  
You just make me feel good  
Boy, I think that I would  
Like to get to know you better, know you better  
Whatever you believed in  
We can make it a thing  
I just want to know you better, know you better  
Underneath your clothes[Hook: Tessa]  
Better  
Know you better, know you better  
Better[Verse 2: Tessa]  
A beautiful devil  
Ready to strip me down  
Yeah, you make me feel special  
Just take me off the ground  
[Pre-Chorus: Tessa]  
You're so mysterious  
I like you dangerous  
Yeah, I'm goin' crazy  
I'm so delirious  
It must be serious  
Yeah, I'm goin' crazy[Chorus: Tessa]  
You just make me feel good  
Boy, I think that I would  
Like to get to know you better, know you better  
Whatever you believed in  
We can make it a thing  
I just want to know you better, know you better  
Underneath your clothes[Hook: Tessa]

Better  
Know you better, know you better  
Better  
Underneath your clothes  
Better  
Know you better, know you better  
Better[Bridge: Tessa]  
Better, better  
Know you better  
Better, better  
Know you better  
Whatever you  
Better, better  
Know you better[Chorus: Tessa]  
You just make me feel good  
Boy, I think that I would  
Like to get to know you better, know you better  
Whatever you believed in  
We can make it a thing  
I just want to know you better, know you better  
Underneath your clothes[Hook: Tessa]  
Better  
Know you better, know you better  
Better[Chorus: Tessa]  
You just make me feel good  
Boy, I think that I would  
Like to get to know you better, know you better  
Whatever you believed in  
We can make it a thing  
I just want to know you better, know you better  
Underneath your clothes[Outro: Tessa]  
Better, better  
Know you better  
Better, better  
Underneath your clothes
