

# Flame

Laine Hardy

[Verse 1]

I hope you find what you're lookin' for  
I hope you get what you're wishin' for  
I hope you see what I see when I see what I see in you  
I hope you stumble and fall in love  
I hope it's all that you're dreamin' of  
And every day is a day that your heartbeat beats for two[Pre-Chorus]  
And if the darkness arrives  
In the still of the night  
And there's no one inside

[Chorus]

Put your light up  
Put your light, put your light up  
Put your light, put your light up  
Put your light, put your light up, so I can see your flame  
Put your light, put your light up  
Put your light, put your light up  
Put your light, put your light up, so I can see your flame[Verse 2]

I hope you dance, hope you sing along  
Every time they play your song  
Hope you live, hope you laugh  
Hope your heart never leads you wrong  
And I don't know where that river flows  
I don't know all the highs and lows  
But there's a flame in your name  
When you need, it leads you home

[Pre-Chorus]

And if the darkness arrives  
In the still of the night  
And there's no one inside[Chorus]

Put your light up  
Put your light, put your light up  
Put your light, put your light up (Put your light up)  
Put your light, put your light up, so I can see your flame  
Put your light, put your light up  
Put your light, put your light up (Yeah)  
Put your light, put your light up, so I can see your flame  
Put your light, put your light up (Oh, whoa, yeah)  
Put your light, put your light up  
Put your light, put your light up (Oh, whoa)  
(Oh, oh) So I can see your flame (So I can see it)  
Put your light, put your light up (Yeah)

Put your light, put your light up  
Put your light, put your light up (Oh, whoa)  
So I can see your flame[Outro]  
So I can see  
So I can see your flame
