

Driven

Bret Michaels

I like the way you move
Oh it's just so sexy baby
I like the way you grind my gears
Just kinda wrecks me baby
Tell you the truth
I like the way you move I like the - I love the - I like the way you feel
When you're riding beside me baby
I like the way you grab my wheel
And just kinda guide me baby
I tell you the truth
I really like your moves
When she turns my radio on
I know it won't be long
And then she straddles the driver seat
And she, and she, and she'll roll right outta me She says roll me up and down this highway baby
She was born to ride high like a rolling stone oh yeah
She wants it a little bit faster
So baby if you ask her
She said take me on that highway outta here Play guitar now Ohh I like the way you move
Ohh I like the thing you do
She'd say
Roll me up and down this highway baby
She was born to ride high like a rolling stone oh yeah
Cos when she's in my car
She's my superstar
My girl looks so fine
I tell her true
I love the way she
ahha ahha ahha
