

Diamond Heart

Lady Gaga

Young, wild, American
Looking to be something
Out of school go-go'n
For a hundred or two Some asshole broke me in
Wrecked all my innocence
I'll just keep go-go'n
And this dance is on you One, five, ten, lay a million on me
Before the end of this song Young, wild, American
C'mon, baby, do you have a girlfriend?
Rain on me a million
I'm not flawless, but I got a diamond heart
Oh, I
I might not be flawless
But you know I got a diamond heart
Oh, I
I might not be flawless
But you know I got a diamond heart Young, wild, American
Head full of Jameson
Girl's playing bad 'cause it doesn't pay to be good A cruel king made me tough
Daddy's girl's never good enough
I'll just keep go-go'n
'Cause this dance is on you One, five, ten, lay a million on me
Before the end of this song
Young, wild, American
C'mon, baby, do you have a girlfriend?
Rain on me a million
I'm not flawless, but I got a diamond heart Oh, I
I might not be flawless
But you know I got a diamond heart
Oh, I
I might not be flawless
But you know I got a diamond heart Good thing I know what I'm worth
Want a good thing, put the money down first
Better get a good look, baby
'Cause soon I'm breaking out of here Young, wild, American
C'mon, baby, do you have a girlfriend?
Rain on me a million
I'm not flawless, but I got a diamond heart Oh, I
I might not be flawless
But you know I got a diamond heart
Oh, I
I might not be flawless

But you know I got a diamond heartDiamond heart
