

# Butterfly

Weezer

[Verse 1]

Yesterday, I went outside  
With my momma's mason jar  
Caught a lovely butterfly  
When I woke up today  
Looked in on my fairy pet  
She had withered all away  
No more sighing in her breast

[Chorus]

I'm sorry for what I did  
I did what my body told me to  
I didn't mean to do you harm  
Every time I pin down what I think I want, it slips away  
The ghost slips away

[Verse 2]

Smell you on my hand for days  
I can't wash away your scent  
If I'm a dog, then you're a bitch  
I guess you're as real as me  
Maybe I can live with that  
Maybe I need fantasy  
Life of chasing butterfly

[Chorus]

I'm sorry for what I did  
I did what my body told me to  
I didn't mean to do you harm  
Every time I pin down what I think I want, it slips away  
The ghost slips away

[Verse 3]

I told you I would return  
When the robin makes his nest  
But I ain't never coming back

[Outro]

I'm sorry  
I'm sorry

I'm sorry
