

God Is a DJ

P!nk

[Verse 1]

I've been the girl with her skirt pulled high
Been the outcast never running with mascara eyes
Now I see the world as a candy store
With a cigarette smile, saying things you can't ignore
Like, Mommy, I love you
Daddy, I hate you
Brother, I need you
Lover, hey, "Fuck you"
I can see everything
Here with my third eye
Like the blue in the sky

[Chorus]

If God is a DJ
Life is a dance floor
Love is the rhythm
You are the music
If God is a DJ
Life is a dance floor
You get what you're given
It's all how you use it

[Verse 2]

I've been the girl, middle finger in the air
Unaffected by rumors, the truth, I don't care
So open your mouth, stick out your tongue
You might as well let go
You can't take back what you've done
So find a new lifestyle
A new reason to smile
Look for Nirvana
Under the strobe lights
Sequins and sex dreams
You whisper to me
There's no reason to cry

[Chorus]

If God is a DJ
Life is a dance floor

Love is the rhythm
You are the music
If God is a DJ
Life is a dance floor
You get what you're given
It's all how you use it

[Bridge]

You take what you get, and you get what you give
I say, don't run from yourself, man, that's no way to live
I've got a record in my bag, you should give it a spin
(You should give it a spin)
Lift your hands in the air so that life can begin
(Life can began)
If God Is a DJ, if God
Say, if God is a DJ
(If God is a DJ)
Then life is a dance floor
(God is a DJ)
Get your ass on the dance floor now

[Breakdown]

If God is a DJ
Life is a dance floor
Love is the rhythm
You are the music
If God is a DJ
Life is a dance floor
You get what you're given
It's all how you use it

[Chorus]

If God is a DJ
Life is a dance floor
Love is the rhythm
Then you are the music
If God is a DJ
Life is a dance floor
You get what you're given
It's all how you use it

[Chorus]

If God is a DJ
Life is a dance floor
Love is the rhythm
Then you are the music
If God is a DJ
Life is a dance floor
You get what you're given (get your ass)

It's all how you use it (on the dance floor)
