

Wrecking Ball

Five Finger Death Punch

Sliced up - shot down
Everybody bows down
Kill em all - let em fall
God'll sort em out
Ripped up - zip it up
Really never gave a fuck
Wrecking ball - fuck em all
Never had a doubt I'm - never gonna be the one
I'm - always gonna say what I feel
I'm - always do what I do
Sick of all the bullshit
Why - should I
Always be the one to back away
Why - should I
Have to be the one to not say what's on my mind
I'm a mother fuckin' wrecking ball Take down - ground and pound
That's the resolution
Show face - disgrace
A scar of evolution Nice boots - cheap suit
You're about to find out
Right here - right now
That's what I'm about
I'm - always gonna be the one
I'm - always gonna say the shit that
I'm - always gonna hold a grudge
Sick of all the bullshit
