

You & I

One Direction

I figured it out
I figured it out from black and white
Seconds and hours
Maybe they had to take some time I know how it goes
I know how it goes from wrong and right
Silence and sound
Did they ever hold each other tight, like us?
Did they ever fight, like us? You and I
We don't wanna be like them
We can make it 'till the end
Nothing can come between
You and I
Not even the Gods above
Can separate the two of us
No, nothing can come between You and I
Oh, you and I I figured it out
Saw the mistakes of up and down
Meet in the middle
There's always room for common ground I see what it's like
I see what it's like for day and night
Never together
'Cause they see things in a different light, like us
They never tried, like us
You and I
We don't wanna be like them
We can make it 'till the end
Nothing can come between You and I
Not even the Gods above
Can separate the two of us 'Cause you and I We don't wanna be like them
We can make it 'till the end
Nothing can come between
You and I Not even the gods above
Can separate the two of us
No, nothing can come between
You and I You and I Oh, you and I
Oh, you and I We can make it if we try
You and I Oh, you and I
